

MOOC 1 - Learning Unit 6

Chapter 5 - Method

Article

Del Bono, D. (2019). Emergency at sea. Wading through the chaos of emotions. *Group Analysis*, Vol. 52(2): 147– 157.

Questions:

1. Describe an operational characteristic of the *experiential group* model applied by the author.

2. Describe the migrants' psychological condition during the emergency rescue operations.

3. How do you understand the Charley-the-ballon intervention for children created in the here and now by the crew?
