

## **Toolkit 1 - Learning Unit 4** **Post-intervention**

### **Activity 5** **Using the support of a mentor**

Training

- 1) Describe the intervention and your work to your mentor/master/teacher.
- 2) Tell him/her what make you dissatisfied with in this intervention.
- 3) Tell him/her what went wrong during the intervention.
- 4) Please ask him: What do you think about it? How do you think I should react? Who could I ask for help? What support may be necessary for me?  
*You may also ask other questions that are necessary to get support.*
