

## Toolkit 2 - Learning Unit 1

### Post-intervention

#### Activity 5

Map the emergency agencies operating in the maxi-emergency, including existing psychosocial services which should be fully mapped and incorporated into the psychosocial care plan

Exercise

#### Effectiveness of cooperation and coordination

#### 5. Was cooperation with other organisations effective?

NO

#### Activity 5

List your perceived sources of inefficiency in cooperation. Rank them in ascending order of urgency. Suggest how each inefficient practice could be replaced by an efficient one.

Source of inefficiency in cooperation	Source of efficiency in cooperation
