

Toolkit 1 Pre intervention

Learning Unit 6

Learning from Experience – Rely on Collective Intervention Capacities

5. Do you know how to upgrade the level of the learning process?

Activity 5b

List of
recommendations

Please consult the following suggestions:

- 1) Move gradually from simple activities to more complex problem-solving and/or research-type experiences as learning activities
- 2) Do not concentrate on only one learning mode
- 3) Incorporate simulation to reality, including elements of real or perceived challenge (e.g., role play)
- 4) Consider the balance of collaboration and competition
- 5) Use technological means to enrich appropriate feedback
