

Toolkit 2 - Learning Unit 1

Pre-intervention

Activity 3

Map the emergency agencies operating in the maxi-emergency, including existing psychosocial services which should be fully mapped and incorporated into the psychosocial care plan

Exercise

Caring for different needs

3. Which organisations can provide for the different needs of a person in crisis?

NO

Activity 3

Go through the map of cooperating systems in emergency situations that has already been prepared. Then categorise these organisations into groups according to different needs, e.g. material needs - accommodation, health needs, security, etc.

Organisations	Needs category
