

Toolkit 2 - Learning Unit 1

Pre-intervention

Activity 4

Map the emergency agencies operating in the maxi-emergency, including existing psychosocial services which should be fully mapped and incorporated into the psychosocial care plan

Communication with other teams in a crisis situation

4. Do you know the contacts of other teams that provide different care in a crisis situation?

NO

Activity 4

Get in touch with crisis centres in your area and check their capacity to provide help in a crisis. Create a clear list with up-to-date contacts and information.
