

Toolkit 2 - Learning Unit 1

Pre-intervention

Activity 5

Map the emergency agencies operating in the maxi-emergency, including existing psychosocial services which should be fully mapped and incorporated into the psychosocial care plan

Exercise

Cooperation and coordination

5. Do you know who is responsible for communicating with and coordinating with different teams?

NO

Activity 5

Discuss in the team who is in charge of communicating with disparate teams within the emergency. What form of assistance (intervention) are these teams focused on?

Create a short clear list of who is responsible for communicating with which team within the emergency.

Organisation	Form of assistance	Person responsible for communication
